SOLUTION PORTFOLIO

INFRASTRUCTURE

Structured Cable
Fiber Optics
Network Cabinets
Server Racks
Datacenters
Distributed Antenna Systems (DAS)
Fault Managed Power Systems
Uninterruptible Power Supplies
System Redundancy

NETWORKING

Switching
Routing
Wireless (Wi-Fi)
Internet of Things (IoT)
SD-WAN
Managed Services

CYBERSECURITY

Firewalls
Multi-factor Authentication
Secure Email
Zero Trust Network Access
Network Access Control
Endpoint Detection & Response
Managed Detection & Response
Centralized Logging & Reporting
Security Info & Event Management
Managed Services

VOICE & COMMUNICATIONS

Phone Systems
Contact Centers
Unified Communications
Paging, Clocks & Bells
Intercom

IT MANAGEMENT

Identity & Access Management
Email & Productivity Applications
Remote Workforce
Sysops Support
Device Management
Managed Services

CONNECTIVITY SERVICES

Cost Management
Broadband
Dedicated Internet Access
Dark Fiber
Fixed Wireless
Voice / Voice over IP (VoIP)
Internet of Things (IoT)
Colocation

CLOUD

Server Migration
Serverless Computing
Database Management
Redundant Backup
Long-Term Archival
Cloud-Native Network Firewall
Cost Management

SAFETY & SECURITY

Video Surveillance & Analytics
Access Control & Badging
Security Operations Center
Emergency Lockdown
License Plate Recognition
Help Call
Asset Tracking
Mass Notification
Visitor Management
Intrusion Alarm
Remote Monitoring

SMART SPACES

Automation Routines
Touchless Controls
Sustainability Monitoring
Cost Saving Controls
Building Health Monitoring
IoT Sensors
AC Lighting Controls
Low Voltage DC (PoE) Lighting
Wayfinding
Room & Tool Scheduling

AUDIO-VISUAL

Conferencing
Educational Technologies
Digital Signage & Video Walls
Lighting & Sound
Immersive Exhibits
Auditoriums
Command Centers
Courtroom Recording
Assistive Listening
Healthcare Simulation
AR & VR Training

DATA, MACHINE LEARNING, AI

Digital Transformation
Business Intelligence
Data Collection
Trend Analytics
Data Accessibility
Workflow Automation
Virtual Assistants
Natural Language Interfaces
